DODBALLAPUR SUB-DIVISION.

Notification No. A3. 506—36-37, *dated 2nd November* 1936.

Under Section 17 of the Mysore Village Panchayet Regulation, Mr. Hanumanthara-yappa, Patel, is nominated as member of Avathi Village Panchayet, Kasaba Hobli, Devanhalli Taluk, in place of Mr. Naranappa, resigned.

Notification No. A2. —35-36, dated 31st October 1936.

The following memo of precautionary measures to be adopted during the ensuing Sri Subrahmanyaswami Jatra at Ghati in the Dodballapur Taluk, which commences from 14th January 1937, is issued for information of the general public, in the interest of public safety and welfare :—

1. The shops located in the Jatra premises should be constructed in lines leaving an intervening space between shops and leaving a space of 7 feet from the side drains on both sides of the roads, to avoid accidents, obstruction, etc.

2. Sweetmeat shops and hotels should not be located near other shops. They should be in a separate line to be fixed by the Amildar as they will always have the fire ovens going.

Temple Premises.—Inside the compound, the temple verandah will be barricaded and provided with separate ingress and egress for men and women. The pilgrims visiting the shrine will be let into the temple by batches. The temple proper will on no account be allowed to be used as a halting or resting place.

Cattle Fair.—Cattle that gather will not be allowed to be exhibited by the side of the high roads. They should be made to stand in places or picketed in lines specially allotted for the purpose.

5. Motor vehicles plying for hire for pilgrims will on no account be allowed to run through the Jatra premises; they must stop at the junction of the Bowring Ghati and Bindupur Roads beyond the Makali Railway Station, where the pilgrims must alight and make their own arrangements to go to the Jatra. Places will, however, be provided for the parking of such vehicles.

6. The speed of the pleasure cars in the Jatra premises should not exceed six miles an hour.

7. Licenses should not be granted to the Dramatic Companies, Circus, Cinema Theatres, etc., until they have one hundred pots of water ready at all times to meet emergencies. Theatres should have at least six entrances and exits.

Notification No. A2. —35-36, dated 31st October 1936.

The right to collect fees on cattle and shops and to collect manure in Government lands at the ensuing Jatra of Sri Subrahmanyaswami at Ghati in the Dodballapur Taluk, for the year 1936-37, will be sold by public auction by the Sub-Division Officer, Dodballapur Sub-Division or other officer deputed for the purpose by the Deputy Commissioner at the Dodballapur Taluk Office, on Saturday the 5th December 1936.

2. Persons intending to bid at the sale must attend in person or by a duly constituted agent.

The sale will be subject to the following conditions :—

1. The purchaser of the contract shall collect fees at the rate of 2 annas per every head of cattle and 1 anna per each calf and on shops at the rates specified in the schedule appended hereto.

2. The fees may be collected at the following Ookads :—

I. Nayakarondahalli Ookad	IV. Lagumenahalli Ookad
II. Bhandi Halla Ookad	V. Gunjur Ookad
III. Subbarayana Nagenahalli Ookad	VI. Makali Ookad

3. For every item collected, the contractor will be required to issue a ticket in the form approved by the Sub-Division Officer. The contractor shall make his own arrangements to provide himself with a sufficient number of ticket books with counterfoils and these books should be made available for inspection by any officer on Jatra duty not below the rank of a Revenue Inspector.

4. The person whose bid is (finally accepted) highest should deposit one-fourth of the amount at once. In default in payment of the deposit immediately after the close of the sale, a resale will be conducted and he will be made responsible for any loss by such resale but will not be entitled to any increase that may result by such resale. The rest of the money should be paid to the treasury within seven days after the sale and if the seventh day is a General Holiday, within the next working day, failing which, a re-auction will be held at the risk of the bidder. Deposit made by him or such portion as the Deputy Commissioner thinks fit shall be forfeited to Government.

5. The sale will be subject to the confirmation of the Deputy Commissioner.

6. An appeal against the Deputy Commissioner's Order confirming the sale will lie to the Muzrai Commissioner within fifteen days after the sale is confirmed by the Deputy Commissioner.

7. The sale conducting officer is not bound to accept any bid offered after the close of the sale.

8. The sale purchaser of the manure will have no right to collect manure in Hiduvali lands.

9. The contractor should deposit 300 tickets with the Amildar for distribution among devotees who bring things in cart for charitable purposes as Aravattige, etc., and to raiyats

10. The contractor shall not be entitled to any remission of the contract amount or to any compensation on account of any cause whatever.

11. The contractor should make his own arrangements for collection work.

12. The contractor and his employees shall always behave courteously towards the public and shall not harass them or give them trouble of any kind.

13. In case of dispute about the classification of shops, the decision of the Amildar will be final.

14. The Jatra commences from 14th January 1937, and the Car Festival takes place on 18th January 1937.

15. The contractor will have no right to collect fees on stalls opened in the Exhibition grounds.

HASSAN TOWN MUNICIPALITY.

Notice, dated 10th November 1936.

1. The public are hereby informed that it is arranged to hold a Cattle Show in the dry lands behind the Musafirkhana and Santhemala at Hassan. The Show will commence on Saturday the 2nd January 1937, and close on the evening of Wednesday the 6th January 1937.

2. The Cattle Show is intended to give to the raiyats an idea of the several species of cattle breed in and beyond the Hassan District and thus to promote general improvement in the breed of cattle.

3. The several classes of cattle which will be awarded prizes in the Show are given in the appendix.

4. Arrangements will be made to promote competition and to induce cattle owners to exhibit the best cattle available by awarding prizes. Those who desire to have special facilities for sale of cattle are requested to address the President, Hassan Town Municipality, before the opening of the Show.

5. As per Government Proceedings No. L. 2721—Ml. 154-27-5, dated 17th November 1927, a uniform rate of two annas per head of cattle will be levied on all cattle admitted to the Cattle Show enclosure.

6. Fodder will be available for sale near the Show enclosure.

7. Every animal admitted to the Show enclosure should be accompanied by a sufficient number of men to keep it under proper control.

8. Only cattle considered suitable will be allowed to compete in the Cattle Show for prizes and only such cattle as get prizes will be admitted into a special enclosure.

9. No animal which has been awarded one prize will be allowed to compete for any other prize except for a special prize.

10. Working cattle may, at the option of the judges, be subjected to a practical test as to their power of draught, etc.

11. Admission of competing cattle into the Show enclosure will be closed on the evening of the 5th January 1937.

12. All persons who become exhibitors of cattle will be held to have signified their consent and acceptance to the above conditions and to such other conditions which the Committee may hereafter prescribe.

13. For other particulars, enquire in the Town Municipal Office, Hassan.

MYSORE CITY MUNICIPALITY.

Notice dated 19th November 1936.

Government in their Order No. L. 1460—Ml. 62-35-64, dated the 20th August 1936, having sanctioned an amendment to bye-law No. 21 of the Market bye-laws, and the following further bye-laws for licensing and registration of coolies and carriers in Devaraja Market, it is hereby notified for the information of the public that the said amendment and the bye-laws as appended below will come into force from the 26th December 1936 :—

AMENDMENT SANCTIONED.

Renumber the existing market bye-law No. 21 as 31.

BYE-LAWS FOR LICENSING AND REGISTRATION OF COOLIES AND CARRIERS IN DEVARAJA MARKET MADE UNDER SECTION 51 (1) (a) OF THE CITY MUNICIPALITIES REGULATION 1933.

21. No person shall work for hire as a cooly or carrier within the limits of any Municipal Market not exempted under bye-law 30, unless he is duly licensed for the purpose by the President or by an officer authorised by the President to grant such licenses.

22. A register of licensed market coolies or carriers shall be kept in the Office of the Market Sergeant and shall be open during office hours on all days except on Sundays and closed holidays to the inspection of any Municipal Councillor or of any other person interested therein.

23. Coolies or carriers shall be licensed half-yearly or at such other times as the President may from time to time direct and their names and numbers shall be entered in the said register and each cooly or carrier shall pay such license fee subject to a maximum of annas eight, as may be determined by the Municipal Council.

Saving as to private servants and coolies.

24. Nothing contained in bye-law No. 23 shall prevent the servants of persons attending a Municipal Market from carrying purchases made by the latter or shall prevent a person attending such a market from bringing his own coolies to the market for the purpose of carrying his purchases, provided that the Market Sergeant may for special reasons to be recorded by him in writing, refuse to allow any particular person to act as a private cooly in any Municipal Market.

Uniforms and Badges for licensed Coolies.

25. Every licensed market cooly or carrier shall wear a uniform and a badge bearing a number corresponding with his number in the register of licensed market coolies or carriers; and no such licensed market cooly or carrier shall ply for hire in any Municipal Market without wearing his badge. A cooly or a carrier in a Municipal Market shall supply himself with a uniform as prescribed by the President.

26. (i) A licensed market cooly or carrier shall not while plying for hire cause annoyance to any person.

(ii) Every licensed market cooly or carrier of a Municipal Market shall, at all times, while plying for hire, conduct himself with civility and propriety towards every person hiring or seeking to hire his services, and shall in all respects obey the orders of the Market Sergeant or other officer having charge of the Market for the time being.

27. Every licensed cooly or carrier shall provide himself with a basket and he will be entitled to recover from the persons hiring his services not exceeding such remuneration as may be prescribed by the President from time to time.

28. All complaints by or against licensed coolies or carriers of a Municipal Market shall be disposed of by the Market Sergeant or other officer in charge of the market for the time being.

29. The President may for any breach of the above bye-laws by licensed cooly or carrier levy a fine not exceeding Rs. 5 or suspend or remove him from the register of licensed coolies or carriers.

30. The Municipal Council may exempt any Municipal Market in the City from the operation of the above bye-laws.

M. A. SRINIVASAN,
President.

HASSAN TOWN MUNICIPALITY.

Notice, dated 10th November 1936.

1. The public are hereby informed that it is arranged to hold a Cattle Show in the dry lands behind the Musafirkhana and Santhemala at Hassan. The Show will commence on Saturday the 2nd January 1937, and close on the evening of Wednesday the 6th January 1937.

2. The Cattle Show is intended to give to the raiyats an idea of the several species of cattle breed in and beyond the Hassan District and thus to promote general improvement in the breed of cattle.

3. The several classes of cattle which will be awarded prizes in the Show are given in the appendix.

4. Arrangements will be made to promote competition and to induce cattle owners to exhibit the best cattle available by awarding prizes. Those who desire to have special facilities for sale of cattle are requested to address the President, Hassan Town Municipality, before the opening of the Show.

5. As per Government Proceedings No. L. 2721—Ml. 154-27-5, dated 17th November 1927, a uniform rate of two annas per head of cattle will be levied on all cattle admitted to the Cattle Show enclosure.

6. Fodder will be available for sale near the Show enclosure.

7. Every animal admitted to the Show enclosure should be accompanied by a sufficient number of men to keep it under proper control.

8. Only cattle considered suitable will be allowed to compete in the Cattle Show for prizes and only such cattle as get prizes will be admitted into a special enclosure.

9. No animal which has been awarded one prize will be allowed to compete for any other prize except for a special prize.

10. Working cattle may, at the option of the judges, be subjected to a practical test as to their power of draught, etc.

11. Admission of competing cattle into the Show enclosure will be closed on the evening of the 5th January 1937.

12. All persons who become exhibitors of cattle will be held to have signified their consent and acceptance to the above conditions and to such other conditions which the Committee may hereafter prescribe.

13. For other particulars, enquire in the Town Municipal Office, Hassan.

The contractor should make his own arrangements to provide himself with a sufficient number of ticket books with counterfoils and these books should be made available for inspection by the officers on jatra duty not below the rank of a Revenue Inspector.

(4) The person whose bid is finally accepted should deposit one-fourth of the amount at once. In default of payment of the deposit immediately after the close of the sale, a resale will be conducted and he will be made responsible for any loss by such resale but will not be entitled to any increase that may result therefrom. The rest of the money should be paid to the treasury within seven days after the sale and if the seventh day is a General Holiday within the next working day, failing which, a reauction will be held at the risk of the bidder. The deposit made by him or such portion as the Sub-Division Officer thinks fit shall be forfeited to Government.

(5) The sale will be subject to the confirmation of the Deputy Commissioner.

(6) An appeal against the Deputy Commissioner's order confirming the sale will lie to the Muzrai Commissioner within fifteen days after the sale is confirmed by the Deputy Commissioner.

(7) The sale conducting officer is not bound to accept any bid offered after the close of the sale.

(8) The sale purchaser of the manure will have no right to collect manure in hiduvali lands.

(9) The contractor should deposit a sufficient number of free tickets with the Amildar for distribution among devotees who bring things in cart for charitable purposes as Aravattige, etc., and the raiyats who repair the temple and render services in the temple during jatras.

(10) The contractor shall not be entitled to any remission of the contract amount or to any compensation on account of any cause whatever.

(11) The contractor should make his own arrangements for the collection work.

(12) The contractor and his employees shall always behave courteously towards the public and shall not harass them or give them trouble of any kind.

(13) In case of dispute about the classification of shops, the decision of the Amildar, will be final.

(14) Officers on duty during the Jatra shall be exempted from payment of toll on their conveyances.

MYSORE CITY MUNICIPALITY.

Notice dated 14th December 1936.

Government in their Order No. L. 1337-8—Ml. 62-35-63, dated 17th August 1936 having approved of the following bye-laws, it is hereby notified for the information of the public that the said bye-laws will come into force from the 24th January 1937.—

Bye-laws for regulating Barber shops and Hair-dressing Saloons in Mysore City, framed under Section 51 (b) (vii) of the Mysore City Municipalities Regulation 1933 and in

pursuance of the rule made *vide* Government Notification No. L. 3142—Ml. 47-34-91, dated 2nd November 1935.

1. Premises used for Barber Shops or Hair-dressing Saloons shall be of sufficient size with a floor space of not less than 10' x 8' and not less than 10' in height with proper lighting and ventilation. They shall be constructed of masonry or of such other materials as may be approved by the Health Officer and no part thereof shall be constructed of inflammable materials.

2. Every part of the floor of the Saloon or Shop shall be paved or otherwise made impervious and smooth and shall be lime-washed at least twice in a year or more often if so required by the Health Officer.

3. All basins for washing and all sinks and washing places on the premises shall be efficiently drained by pipes which shall, if necessary, be trapped and connected with an underground sewer.

4. The floor shall be swept at least three times a day (a) before commencement of the work, (b) at noon, and (c) at the close of each day's work followed by a wash with a disinfectant solution.

5. All tables and other furniture shall have smooth and even surfaces and shall be washed and cleaned daily and kept free from accumulations of hair, dirt and filthy substance.

6. All hair and sweepings shall be collected at frequent intervals and deposited in a moveable sanitary bin made of galvanised iron or other equally suitable and impervious material with a close-fitting covering lid, and emptied into the Municipal dust-bin as often as necessary.

7. Within or adjoining the premises a washing place with sufficient water laid on from the Municipal Water-supply shall be provided and any vessel utilised for the storage of water shall be kept scrupulously clean and covered with mosquito-proof covers.

8. The premises shall be provided with means for securing a supply of boiling water for the purpose of sterilising implements and washing the appliances in daily use.

9. Razors and other instruments used for a customer shall be rendered safe immediately after such use by being thoroughly cleaned and dipped for at least two minutes in boiling water or disinfected with such disinfectant as may be approved by the Health Officer.

10. Every shaving mug and brush shall be thoroughly rinsed in hot water after each occasion they are used during the course of the day, or other disinfectant solution as may be approved. No shaving stick or soap shall be directly applied to the face for shaving.

11. At the end of each day, every brush, towel, apron, comb and other implements used in the premises shall be sterilised by being immersed in boiling water or disinfected in such disinfectant as may be approved by the Health Officer.

12. Alum or any other similar material used to stop the flow of blood shall be applied in powdered or liquid form only.

13. The utmost cleanliness shall be observed by the Barbers in their work. They shall wear clean clothes and wash their hands thoroughly with soap and water after serving each customer. The hands of the barber or operator shall, after the customer is served in addition to being washed with soap and water, be dipped for not less than two minutes in such disinfectant as may be approved by the Health Officer.

14. No barber who is suffering from an infectious skin disease or any other infectious ailment shall be allowed to attend customers or to be present on the licensed premises.

15. No leper or any other persons suffering from any visible skin disease, open sore, or any loathsome or dangerous disease shall be admitted or be served in such premises.

16. A license fee of one rupee will be levied on each Barber's Shop or Hair-dressing Saloon per annum commencing from July every year.

17. That each shop or Saloon shall keep for daily use not less than twelve Towels and 12 aprons.

18. Whoever commits a breach of any of the above bye-laws shall be punishable with fine which may extend to rupees twenty-five and in case of a continuing breach with fine which may extend to five rupees for every day during which the breach continues after conviction for the first breach.

MYSORE STATE DEPARTMENT OF HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, AUGUST 27, 1936.

A total of 48 attacks with 26 deaths from Plague was returned during the week against 11 attacks with 5 deaths in the previous week. Bangalore City and Kolar Gold Field area continued to remain free from the disease while Mysore City reported 3 attacks with 2 deaths. The comparative figures for the corresponding week in 1935 and 1934 were 20 attacks with 18 deaths and 142 attacks with 70 deaths, respectively.

A total of 27 attacks with 5 deaths from Small-pox was reported from one village in each of Shimoga, Sorab, Channarayapatna, Tarikere, Srinivaspur, Sringeri, Chintamani and Sidlaghatta taluks, two villages in each of Honnali, Kolar, Bowringpet and Turuvekere Taluks.

Eighteen attacks with 7 deaths from Cholera were reported from one village in each of Davangere, Holalkere and Harihar Taluks and from Jagalur Town.

A fatal case from Influenza was reported from Bangalore City.

The State remained free from Relapsing Fever.

The total mortality for Bangalore City amounted to 133 (24 in Hospitals), representing a calculated death-rate of 34·36 (28·16 excluding hospital deaths) per mille of population as against 26·81 for the corresponding week of last year. Classified according to causes, the deaths numbered 1 under Malaria, 5 under Typhoid, 4 under other Fevers, 9 under Phthisis, 20 under Dysentery and Diarrhœa, and 94 under all other causes. Slightly increased mortality was reported due to excess of deaths under all other causes.

During the week, the Civil and Military Station, Bangalore, returned 115 deaths (15 in Hospitals) representing a calculated death-rate of 42·03 (36·55 excluding deaths in Hospitals) per mille of population as against 36·21 for the corresponding week of last year. Classified according to causes, the deaths were—Plague 1, Malaria 1, Broncho-Pneumonia 3, Pneumonia 16, Typhoid 4, other Fevers 1, Phthisis 4, Dysentery and Diarrhœa 15, and all other causes 70. The mortality was normal with a high incidence of deaths under Pneumonia.

The total mortality for Mysore City was 261 (11 in Hospital) representing a calculated death-rate of 26·52 (21·74 excluding hospital deaths) per mille of population as against 31·04 for the corresponding week of last year. Classified according to causes, the deaths were—Plague 2, other Fevers 1, Phthisis 5, Dysentery and Diarrhœa 11, and all other causes 42. A decrease in mortality was recorded.

There were 42 deaths (3 in Hospitals) from all causes in Kolar Gold Field area equivalent to a calculated death-rate of 26·09 (24·22 excluding hospital deaths) per mille of population as against the annual ratio of 36·53 for the corresponding week of last year. Classified according to causes, the deaths numbered—1 under Malaria, 10 under Dysentery and Diarrhœa and 31 under all other causes. During the week a decrease of mortality was reported.

MYSORE STATE DEPARTMENT OF HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, SEPTEMBER 17, 1936.

A total of 33 attacks with 20 deaths from Plague was returned during the week against 22 attacks with 14 deaths in the previous week. Bangalore City reported 2 attacks with 3 deaths while Mysore City and Kolar Gold Field Area remained free from the disease. Comparative figures for the corresponding week in 1935 and 1934 were 21 attacks with 13 deaths and 164 attacks with 84 deaths, respectively.

A total of 20 attacks with 4 deaths from Small-pox was reported from one village in each of Sagar, Tirthahalli, Sorab and Chiknaikanhalli Taluks, three villages from Turuvekere Taluk; and from Shimoga Town and Kolar Gold Field Area.

Fifteen attacks with 4 deaths from Cholera were reported from one village in each of Davangere, Seringapatam and Sorab Taluks.

The State remained free from Influenza and Relapsing Fever.

The total mortality for Bangalore City amounted to 107 (16 in hospitals), representing a calculated death-rate of 27·65 (23·51 excluding hospital deaths) per mille of population as against 41·95 for the corresponding week of last year. Classified according to causes, the deaths numbered—3 under Plague, 1 under Typhoid, 3 under other Fevers, 9 under Phthisis 14 under Dysentery and Diarrhœa, and 77 under all other causes. A considerable decrease in mortality under Dysentry and Diarrhoea and under all other causes was recorded.

During the week, the Civil and Military Station, Bangalore, returned (for six days only) 84 deaths (12 in hospitals) representing a calculated death-rate of 36·02 (of 30·87 excluding hospital deaths) per mille of population as against 38·79 for the corresponding week of last year. Classified according to causes, the deaths were—Pneumonia 8, Typhoid 1, Phthisis 2, Dysentery and Diarrhœa 14, and all other causes 59. The mortality was normal.

The total mortality for Mysore City was 58 (18 in hospitals) representing a calculated death-rate of 25·22 (17·39 excluding hospital deaths) per mille of population as against 26·15 for the corresponding week of last year. Classified according to causes, the deaths numbered 2 under Malaria, 3 under Typhoid, 4 under Phthisis, 7 under Dysentery and Diarrhœa and 42 under all other causes. The mortality was normal.

There were 63 deaths (9 in hospitals) from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 39·13 (33·54 excluding hospital deaths) per mille of population as against the annual ratio of 33·39 for the corresponding week of last year. Classified according to causes the deaths numbered 6 under other Fevers, 12 under Dysentery and Diarrhœa and 45 under all other causes. Increased mortality was reported under Dysentry and Diarrhoea and all other causes.

MYSORE STATE DEPARTMENT OF HEALTH.

NOTE ON THE STATE OF PUBLIC HEALTH IN MYSORE STATE FOR THE WEEK ENDED THURSDAY, OCTOBER 1, 1936.

A total of 6 attacks with 3 deaths from Plague was returned during the week against 15 attacks with 4 deaths in the previous week. Mysore City reported 3 attacks with 2 deaths while Bangalore City and Kolar Gold Field Area remained free from the disease. Comparative figures for the corresponding week in 1935 and 1934 were 46 attacks with 20 deaths and 175 attacks with 96 deaths, respectively.

A total of 23 attacks with 1 death from Small-pox was reported from one village in each of Sorab, Tirthahalli and Kunigal Taluks; two villages from Turuvekere Sub-Taluk; three villages from Chiknaikanhalli Taluk.

Twenty-three attacks with 7 deaths from Cholera were reported from one village in each of Davangere and Yelandur Taluks, and from Melkote Town.

Two fatal cases from Influenza were reported from the Cities of Bangalore and Mysore.

The State remained free from Relapsing Fever.

The total mortality for Bangalore City amounted to 100 (25 in hospitals), representing a calculated death-rate of 25·84 (19·38 excluding hospital deaths) per mille of population as against 31·64 for the corresponding week of last year. Classified according to causes, the deaths numbered—2 under Typhoid, 1 under other Fevers, 12 under Phthisis, 17 under Dysentery and Diarrhœa, and 68 under all other causes. Although the total mortality was less than in the previous year, there was increase in mortality under Phthisis.

During the week, the Civil and Military Station, Bangalore, returned 94 deaths (20 in hospitals) representing a calculated death-rate of 34·36 (27·05 excluding hospital deaths) per mille of population as against 28·01 for the corresponding week of last year. Classified according to causes, the deaths were—Malaria 1, Plague 1, Broncho Pneumonia 7, Pneumonia 5, Typhoid 3, Phthisis 5, Dysentery and Diarrhœa 9, and all other causes 63. There was an increase in mortality under all other causes.

The total mortality for Mysore City was 39 (13 in hospitals) representing a calculated death-rate of 16·96 (11·30 excluding hospital deaths) per mille of population as against 25·72 for the corresponding week of last year. Classified according to causes, the deaths numbered 2 under Plague, 1 under Malaria, 2 under Typhoid, 1 under other fevers, 3 under Phthisis, 4 under Dysentery and Diarrhœa and 26 under all other causes. The reported mortality is too low.

There were 52 deaths (6 in hospitals) from all causes in Kolar Gold Field Area equivalent to a calculated death-rate of 32·30 (28·57 excluding hospital deaths) per mille of population as against 30·34 for the corresponding week of last year. Classified according to causes, the deaths numbered 1 under Typhoid, 4 under other Fevers, 2 under Phthisis, 8 under Dysentery and Diarrhœa and 37 under all other causes. The mortality was normal.
